Dear Sir/Ma'am,

Nature of Communication: Letter

Title: Last date to admit learners in ODL/Online for academic session February 2025 and last date of uploading admission details on UGC DEB web portal extended till 1st April, 2025

Message:

The University Grants Commission (UGC) has observed that the previously communicated deadline of 31st March, 2025 for admission and upbading admission details on the UGC DEB web portal coincides with the gazette holiday for Id-ul-Fitr.

In light of this, and acknowledging the potential inconvenience to Higher Education Institutions (HEIs) and staff on the said date, the UGC has decided to extend the deadline. Therefore last date of admission and last date of uploading admission details on UGC DEB web portal shall be 1st April, 2025 for Open and Distance Learning (ODL) and Online programmes being offered by recognize/entitled Higher Educational Institutions (HEIs) for academic session February, 2025.

Further, it is also requested that HEI shall upload student admission data on portal at frequent intervals to avoid last-minute congestion of the network due to heavy load on the server. It is also informed no further extension will be provided to HEIs for uploading the student admission details.

In view of the above, it is reiterated that the last date of taking admission of students for the academic session February, 2025 and last date of submitting admission details to UGC shall be 1st April, 2025. Further, as manual uploading of student admission data will not be available from the February 2025 academic session, we urge all HEIs to ensure timely and consistent data submission to prevent any last-minute technical difficulties.

HEIs shall upload the student admission details on UGC DEB web-portal by 1st April, 2025, failing which, UGC shall take punitive action as per Regulation 7 (3) of UGC (ODL Programmes and Online Programmes) Regulations, 2020 and its amendments.

For technical support write to: odl.ugc@mail.inflibnet.ac.in

Thanks and Regards,
UGC (DEB)
