**PROF.G.RAM REDDY CENTRE FOR DISTANCE EDUCATION
OSMANIA UNIVERSITY, HYDERABAD – 500 007**

Date: 08-08-2017.

Dear Students,

Every student of MBA II Year has to write and submit **Two Assignments** for each paper compulsorily. Each assignment carries **15 marks** and for two assignments it is 30 marks University Examinations will be held for 70 marks. The concerned faculty evaluates these assignment papers. The marks awarded to you will be forwarded to the Controller of Examination, OU for inclusion in the University Examination marks. Without these marks, your results will be incomplete.

Further, you are hereby informed to pay Rs.500/- through DD in favour of Director, PGRRCDE, OU towards Assignment fee and submit the same along with two assignments at MBA counter on or before **08-09-2017** and obtain proper receipt. Assignments without the DD will not be accepted.

Assignments on Printed / Photocopy / Typed papers will not be accepted and will not be valued at any cost. Only hand written Assignments will be accepted and valued.

Methodology for writing the Assignments:

1. First read the subject matter in the course material that is supplied to you.
2. If possible read the subject matter in the books suggested for further reading.
3. You are welcome to use the PGRRCDE Library on all working days and also on Sundays / Second Saturdays for collecting further information on the topic of your assignments. (10.30 am to 5.00 pm.)
4. Give a final reading to the answer you have written and see whether you can delete unimportant or repetitive words.
5. The cover page of the each theory assignments must have information as given in FORMAT below.
6. Write the above said details clearly on every subject assignments paper, otherwise your paper will not be valued.
7. Tag all the assignments paper wise and submit assignment number wise.
8. Submit both the assignments on or before **08-09-2017** at MBA counter at PGRRCDE, OU on any working day and obtain receipt.

2. A production process was observed for a period of 20 days during one month. The number of components inspected per day is 200 each and the number of defectives noticed is as given below. Construct appropriate control chart and comment.

Day	Number of defectives	Day	Number of defectives
1	8	1	8
2	11	2	7
3	7	3	13
4	10	4	4
5	17	5	8
6	14	6	14
7	11	7	16
8	12	8	11
9	9	9	8
10	10	10	11

3. Classify the following inventory using ABC Analysis. A = Annual Consumption in number of units, P = Price per unit in Rupees.

Item Code	A11	E13	P12	C11	T15	Y17	U12	U15	A16	E20
A	300	2000	150	2500	150	3000	200	150	800	400
P	150	250	310	200	300	2500	400	380	180	270
